This Certificate is Valid for 3 years & will remain current subject to the company maintaining its system to the required standards(s). This will be monitored regularly by Accredium Certifications. The certification details & effectiveness are listed at www.acascert.com. The registration does not assure the quality of products produced by a quality system. This certificate is granted based on the limited sampling audit as per relevant ISO standard & Accredium Certifications is not responsible for client's failure to maintain documented quality systems.

Authorised Signatory

Such Products, Process or services shall be manufactured or offered at or from only the address (es) given below above. This certificate is granted subject to the organization's compliance with the good standards in accordance with the rules and regulations for the certification. This certificate is not transferable and remains the property of Accredium which shall be returned if needed and for request. The APOO has not entered or accredited or otherwise approved accreditation certifications and/or its products, services, training and certification courses. The only relationship between ACCREDIUM APOO is our membership with the Institute. This certificate is a non-accredited / non-issued certificate based on the self-certification. Documents and declarations of the organization, to whom it has been issued and APOO does not certify its management system, products, services, materials or personal directly or indirectly.
